The logo for Eyestone features a stylized 'E' symbol on the left, composed of a red and blue shape. To the right of the symbol, the word 'Eyestone' is written in a dark blue, italicized sans-serif font.

Print marketing helps present your brand in a communicative and meaningful way to reach a personal attention space. It is considered more engaging as you physically interact and respond to the print marketing contents. Print marketing can also be viewed by specific target audiences based on placement.

Print media appeals to the senses. We are inherently sensory living beings. We get motivated and inspired by listening, smelling, reading, feeling or just looking at the elements around us.
